

## CASA FLEUR DE LIS

*Feel pampered in this large, centro historico, comfortable colonial home overlooking San Miguel de Allende. The house is located two blocks from Parque Juarez and four blocks from the Jardin (the main square in town), and it is located on one of the most famous streets in San Miguel. At the bottom of the street, you can still appreciate women coming from the surrounding areas to do their laundry.*

*The house is very spacious, and each en suite bedroom has its own balcony overlooking beautiful San Miguel. Each bedroom has a closet with a safe and a full bathroom.*

*With five fireplaces and multiple terraces, there are many cozy places to sit, relax and enjoy the sites and sounds of San Miguel. The bedrooms are spread out all over the property to offer privacy.*
