

## CASA KEY HE

Located slightly above Parque Juarez within Privada del Sol, a gated enclave. Casa Key He is one of the finest properties in San Miguel de Allende. This elegant house is filled with contemporary custom-made furniture and artistic accessories. Fully furnished, it is an extraordinarily rare find. The two-story foyer features an elegant curving stairway with a stunning chandelier commissioned from Ana Thiel, internationally celebrated sculptor and a first-prize winner of the Latin American Biennial of Art in Glass. As you walk into the home, you pass a large garden dining area, then the indoor dining area which features a square leather table for 12, lit by a silk Fortuny chandelier. The gourmet kitchen features a large island and state of the art Viking appliances. Entering the wide pillared loggia you have outdoor seating and dining looking over the pool, jacuzzi, professional grill and wide views of San Miguel. On either side of the loggia are wings, each housing a guest suite with full bath. The indoor living room is at the end of the loggia. Custom-made sofas flank the large fireplace, and the discrete door in the corner, next to the bar, leads to a wine cellar. The Sonos surround sound system is based here, bringing music to every room in the house and the outdoors.
