

CASA VISTA FELIZ

Casa Vista Feliz is nearly brand-new home with great barrel vault ceilings in the living and dining rooms and a spacious open kitchen. The garden has a wonderful vista with wonderful sunsets views – especially lovely from the cozy roofed terrace.

The house has two bedrooms. The principal one has a large dressing room and a spacious bathroom. The second one has its own bathroom and a small patio on which to have breakfast. The house has a lovely open studio with ½ bath. The service bedroom has a bathroom and a laundry patio. There is also a storage room, parking space for one car, a cistern, a radiant heating system and a spectacular garden with mature trees.
