

CASA BOMBÓN

In one of the best streets in San Miguel de Allende, in the heart of town, you can find Casa Bombón (Bombón House), a 100-year old small and charming property, ready to be remodeled to your exact specifications. Casa Bombón has a living and a dining room with a bath, and a great kitchen which leads to the central patio. There is a bedroom with a bathroom in the ground floor, a spacious bedroom on the second floor, as well as an open studio with terrace that offers beautiful views of San Miguel's domes and bell towers between the treetops.
