

## CASA CLUB

Located in the luxury gated community of Vista Antigua, this fully-furnished stylish home is filled with a mix of contemporary furniture and artistic accessories. Natural light is abundant throughout the house.

Downstairs is a two-story foyer, with a large, handblown glass chandelier hanging from the cupola skylight. Off the foyer there are two master en suite bedrooms, large walk-in closets and access to the lush garden.

Upstairs is an open plan living room, luxury gourmet kitchen and dining area. With spacious terraces off the kitchen and living room, offering stellar views of San Miguel and the Picacho mountains, this home is ideal for indoor/outdoor entertaining.

Up one more flight of stairs is a large rooftop terrace with 360-degree views. Polished travertine floors are throughout and every room in the house has a fireplace. There is a one-bedroom casita with kitchenette over the garage reached by a separate entrance.
